Headers	20	11	5	2

# Status of SFLC work

---

- Sloooooow progress
- Copyrights
  - Author-tracking website almost ready
- Trademarks
  - Paperwork filed
- Patents

# Release 1.0

---

- Starting to run out of excuses...
- Need to build a list of bugs  
(>3000 open bugs at the moment)
- Code freeze once bug list is small enough

# Bugzilla statistics

# Post 1.0

---

- 64-bit support
- DIB engine
- Quartz driver
- Direct3D 10
- .NET support
- LGPLv3 ?
